Quotes

"The path of the gospel is the path of humility, says James. There is a path to meekness and peace and a path of ambition and grasping. There is a way of peace or a way of striving. There is a way of repentance and conversion or a way of arrogance and pride. James bids us join him on the path of gospel humility."

-Dan Doriani
James

"In the moral sphere, every act of justice or charity involves putting ourselves in the other person's place and thus transcending our own competitive particularity."

- C. S. Lewis (1898-1963)
"An Experiment in Criticism"

"If a person has grasped the meaning of God's grace in his heart, he will do justice. If he doesn't live justly, then he may say with his lips that he is grateful for God's grace, but in his heart he is far from him. If he doesn't care about the poor, it reveals that at best he doesn't understand the grace he has experienced, and at worst he has not really encountered the saving mercy of God. Grace should make you just."

- Timothy Keller
Generous Justice

"Gandalf! I thought you were dead! But then I thought I was dead myself. Is everything sad going to come untrue? What's happened to the world?"

"A great Shadow has departed," said Gandalf, and then he laughed and the sound was like music, or like water in a parched land; and as he listened the thought came to Sam that he had not heard laughter, the pure sound of merriment, for days upon days without count."

— J.R.R. Tolkien (1892-1973)
The Return of the King
